Howe Green House School

Howe Green House School is a unique environment where children are encouraged, supported and challenged to find their love of learning and stimulate their curiosity of the world.

Our small class sizes and outstanding wellbeing and pastoral care ensures children are not only known individually, but are truly understood and celebrated. The Howe Green House family is a remarkable and dedicated one, and the positivity, kindness and support between each member truly extends outside the school gates.

The children at Howe Green House are immersed in an incredible range of opportunities and are encouraged to try everything on a journey of self-discovery to find their passions – developing resilience and confidence along the way.

Our educational experience starts in Little Oaks Nursery, where the children explore their world and build their knowledge and understanding. These learning connections are then strengthened through the pre-prep and prep school where the wide curriculum allows them to develop their learning skills to be collaborators, problem solvers and decision makers. The children are able to move on to their senior schools of choice with great success and confidence.
